

**Geauga Public Health
ServSafe™ Food Protection Manager Training
(Ohio Department of Health Level Two Certification)**

ServSafe™ was developed by the National Restaurant Association Educational Foundation and is the most widely accepted food safety training program in the world. Participants in this comprehensive, two-day program will learn every aspect of food safety focusing on cross contamination, time-temperature abuse, HACCP, employee hygiene, cleaning, and sanitizing.

Wednesday & Thursday December 11 & 12, 2019 8:00am to 5:00pm each day

Important! This course will be held at Geauga Public Health located at 470 Center Street, Building #8 in the Meeting Room, Chardon, Ohio.

Participants must be prompt and attend all 15 hours of classroom instruction AND take a national ANSI certified examination. Certification from the National Restaurant Association Educational Foundation and the Ohio Department of Health Level Two Certification will be issued upon passing the examination. The cost of the course, including materials and refreshments, is **\$150**. Lunch is on your own.

Please be aware that the fee is **non-refundable**. Registration may be transferred to another person for the class. For more information please call 440-279-1900.

Individuals **MUST PICK UP** their course materials at Geauga Public Health prior to the class.

Registration deadline December 6, 2019. Class limited to first 30 registrants.
